AUSTRALIAN CHAMPIONSHIPS OF 1958-59
-------------------------------------

The biennial 50 Kilometres Road Walking Championship of Australia was held at Centennial Park, Sydney, New South Wales on September 6th 1958. Although the weather was fine and mild, the competitors were hampered by a gusty wind.

The biennial Marathon Championship of Australia, which would have been held normally about September 1958, had been conducted in March 1958 as an Empire and Commonwealth Selection Trial, and its result is recorded in the 1958 edition of the A.A.U. Almanac.

Both days of the Annual Track and Field Championships of Australia, held on North Hobart Oval, Tasmania on February 28th and March 2nd 1959, were favoured by fine and warm weather. On the First Day, a slight head wind hampered competitors in the 100 yards, 120 yards hurdles and long jump, but favoured the 220 yards hurdlers. Competitors in the 220 yards on the Second Day were assisted by a fresh following breeze. This breeze adversely affected the distances in the hop, step & jump. The surface condition of the ground left little to be desired. However, the two inner lanes of the seven lane circular track were surveyed, due to the smallness of the ground, inside the 440 yards circuit, and siting of the various field events was made difficult by the fact that the arena has a lateral slope of several feet.

Hobart was unable to provide Steeplechase facilities, and the 3000 Metres Steeplechase Championship of Australia was held at Olympic Park Melbourne on February 21st 1959 in fine and cool weather conditions.

## AUSTRALIAN RANKING LISTS FOR 1958-59

The listings which follow cover the period from April 1st, 1958 to March 31st, 1959. Wind assisted performances in the events referred to in I.A.A.F. rule 24 (4) (g) have been, as far as possible excluded.

Each list shows the ~~first~~ ten Best Performances in the event. The number of individual athletes may thus vary from one to ten, or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the twenty (in some cases Ten) Best Performers in the event.
